ABOUT Kamdhenu Paints

Stemming out of Kamdhenu Limited, 'Kamdhenu Paints' is the paint vertical of this thriving business conglomerate. Progressing to accomplish the vision to make Kamdhenu an all-solution-brand for Infrastructural & Construction needs, 'Kamdhenu Paints' is a leap towards this goal.

Launched in the year 2008, this ambitious project of 'Kamdhenu Paints' rests on solid grounds of infrastructural and supply chain management. Kamdhenu has set up its indigenous state-of-the-art production plant at Chopanki, Bhiwadi of Rajasthan. Laced with high precision equipment, this manufacturing unit has an output capacity of 36,000 MT/KL per annum. Modern automatic machines and advanced Research & Development laboratories labels every Kamdhenu paint product with highest quality standards that guarantees ultimate customer satisfaction.

Tinting machine technology too has been introduced to enable the customers to make an informed choice. Supporting the technological efficiency is the present stockyard facility of 31 sales depots. These product stock stations prove highly effective in the distribution channel. They enable smooth and uninterrupted supply of 'Kamdhenu Paints' products through the massive network of 4000 dealers & distributors of Kamdhenu spread across India.

Making its presence felt the market already 'Kamdhenu Paints' is available in an wide range of decorative paint products that extends from Exterior & Interior Emulsions, Cement Paints, Water based Primers, Acrylic Distempers, Synthetic & GP Enamel, Solvent based Primers, Wood Finishes, Aluminum Paints and Textured to Designer Finishes.
