Kamodual Emulsion

Kamo Dual Luxury Emulsion is 100% pure acrylic emulsion based Low VOC Paint, specially formulated for all type of cementitious surface for both Exterior & Interior walls. It is specially formulated to give elegance look to the wall. It is specially formulated to give elegance look to the wall with its high sheen, stain resistant, high opacity and also give long colour stability.

LOW VOC

LEAD FREE

ECO-FRIENDLY

GRIHA

Recommended Painting System

▼ For Exterior Wall

Step 1 Clean the surface by wire Brush to remove loose Paint, Dust, grease, algae and fungal & use Kamdhenu Wall Putty for smoothing & leveling of walls.

Step 2 After drying of Kamdhenu Wall Putty use Kamo Dual Primer for high absorbent Surfaces.

▼ For Interior Wall

Step 1 Use Sand paper 180 to remove loose particles, dust dirt or grease & clean the wall. Apply one coat of Kamo Dual Primer & allow to dry for 6 to 8 hours. Use Kamdhenu wall Putty for smoothing & levelling of walls.

Step 2 Apply another coat of Kamo Dual Primer and allow to dry for 6 to 8 hours. Sand the surface with Sand paper 320\400 and clear the surface.

Top Coat For Both Exterior & Interior Walls

Step 1 Apply two coats of Kamo Dual Luxury Emulsion by diluting 1 litre of paint with a maximum of 350 to 450 ml of water.

Step 2 Keep an interval of 4-6 hours between two successive coats. Additional coat is required for Dark Shades, Horizontal Surfaces like Wind.
